ARTICLE 4 ASSOCIATION RIGHTS

- A. The Association and its representatives shall have the right to use school facilities and equipment at reasonable times when such facilities are not otherwise in use and upon prior approval by the administrator responsible for such facilities and equipment. Approval shall not be unreasonably withheld.

The Association shall be responsible for proper use of all facilities and equipment, including leaving them in the same condition as they were before to the Association's use. The Association shall pay for the reasonable cost of all materials and supplies incident to such use and shall be liable for any damages caused to said equipment by improper use by individuals using it for Association business.

- B. The Association shall have the right to post notices of activities and matters of Association concern on designated employee bulletin boards in non-student areas of each building or

facility to which bargaining unit employees may be assigned. Bulletin boards for official postings and Association use will be located in the following places:

Bus Drivers – Bus Garage
Davis Building - Teachers’ Lounge
Decatur Middle School – Teachers’ Lounge
Decatur High School – Teachers’ Lounge
Food Service – High School Kitchen Area

The Association may use the inter-school district mail system to distribute Association material. A copy of all such notices will be forwarded to the Employer.

C. Association Representation:

On request, employees have the right to have an Association Representative present during meetings with administrators when the employee believes that disciplinary action may result. In those situations, support personnel shall, upon request, be represented by Association Representatives and/or MEA Staff, or in the absence of the regular Association Representative, by an Alternate Association Representative. Both Association Representatives and Alternate Association Representatives shall be employees of the bargaining unit. The Association shall furnish, in writing to the Board, the names of Association Representatives and Alternate Association Representatives upon their election or appointment. Should the Association Representative be required to attend a meeting called by the Board during working hours, they shall suffer no loss of pay.

ARTICLE 5 SUPPORT PERSONNEL RIGHTS AND PROTECTION

A. Discipline:

1. The word “discipline” in reference to “just cause” includes anything in writing that contains a warning, a reprimand or other disciplinary action.
2. No non-probationary support personnel employee shall be disciplined or discharged without just cause. The specific grounds forming the basis for disciplinary action will be made available to the support personnel employee in writing.
3. The Association President shall be notified verbally of any imposition of discipline on a bargaining unit employee, but details of the disciplinary action shall not be divulged without the employee’s consent.

B. Assaults:

Any assault on a support personnel employee shall be promptly reported to the Employer. The school district shall promptly render reasonable assistance to the support personnel employee in connection with the handling of the incident by law enforcement authorities. This requirement of reasonable assistance shall not apply if the employee provoked the incident or otherwise contributed to its occurrence. When reasonable assistance is rendered, the

employee shall fully cooperate with school administrators and law enforcement authorities in the investigation of the assault.

C. Files and Records:

Support personnel employees shall, upon proper notification to the Superintendent, be permitted to review the contents of their personnel files. Support personnel employees shall be given copies of all evaluative and/or disciplinary materials which are placed in their personnel files and shall, on request from the administration, sign for receipt of such material. Any support personnel employee who disagrees with the information contained in his/her personnel file may submit a written rebuttal.

D. The District shall attempt to normally have one (1) volunteer chaperone on each spectator bus to "away" sporting events. The chaperone must be an adult volunteer authorized by the building principal. The District shall be excused from this requirement if sufficient numbers of volunteer adult chaperones are not available.

ARTICLE 6 WORK DUTIES AND COMPENSATION

A. The employment schedule of support personnel employees shall be as set forth in Appendix A.

B. The basic compensation of the support personnel employee shall be as set forth in Appendix B.

C. The following conditions shall apply to all overtime work:

1. Employees covered by this contract, shall receive overtime pay for hours worked in excess of forty (40) in a workweek at a rate not less than time and one-half their regular rates of pay. No employee will have their schedule altered to avoid overtime payment.
2. All hours paid (except for vacations and personal business) shall be considered hours worked for purposes of computing overtime.
3. Individuals working in more than one classification or the same classification shall not be allowed to work more than a forty (40) hour total work week unless no other individual(s) in the classification(s) are available.
4. If a custodial/maintenance overtime assignment is declined by available employees in that classification, the Employer shall have the right to assign the overtime to the least senior custodian or a substitute custodian. Custodial/maintenance overtime assignments will be offered on a rotating basis in order of seniority. For example, on the first occasion the District requires overtime they will first ask the person with the most seniority and then move him/her to the bottom of the list. On the second occasion they will first ask the second most senior person and then move him/her to the bottom of the list and continue in this manner through the seniority list. If the first person asked refuses, then the Employer shall ask the next person on the list. Persons who refuse an assignment will be moved to the bottom of the list.

- 5. Overtime hours over forty (40) hours in one (1) week, will be compensated at one and one-half (1-1/2) time. Holiday and Sunday pay shall be at double time (2 times) the regular rate.
 - 6. Overtime shall be limited to four (4) hours overtime when the overtime assignment is in addition to an eight (8)-hour shift, except in case of emergency. The employer shall ask bargaining unit members to fill overtime assignments as per section 4 above.
- D. The fringe benefits of the support personnel employees are set forth in Appendix C.

ARTICLE 7 SENIORITY

- A. Definition: Seniority shall be defined as the length of continuous service within a job classification included in the bargaining unit. The job classifications under this Agreement shall be Maintenance/Custodial; Bus Driver; Secretary; Instructional and Media Aide; Noon/Recess Aide; Food Service. Accumulation of seniority shall begin on the employee's first working day within a classification, subject to paragraph E of this Article. If more than one (1) individual has the same amount of seniority, position on the seniority list shall be determined first by the earliest hire date (the first day of work for which they are paid). If a tie still exists, the position shall be determined by casting lots.
- B. Determination: Bus drivers driving two (2) runs per day shall be considered full time, for purposes of seniority only. Drivers driving one (1) run or less per day will be considered half (1/2) time, for purposes of seniority only. This means that seniority must be computed for each day and then totaled for each year. Extra runs do not count toward seniority for regular drivers. Seniority shall not accrue during voluntary unpaid leaves.

All Classifications: Custodial/Maintenance Employees Secretarial Employees Instructional Aides Food Service Workers	Twenty-one to forty (21-40) hours per week granted one (1) year seniority
	Twenty 20 hours or less per week granted 0.5 year seniority

- C. Those Bargaining Unit employees called in by the District to work during a voluntary unpaid leave, shall receive seniority credit only for time worked.
- D. Seniority shall be computed utilizing years and days. A support personnel employee working one hundred seventy (170) days or more in one fiscal year, July 1 - June 30, shall be given one (1) year of seniority. Employees who work less than one hundred seventy (170) days in a year will have their seniority reported in actual days worked for that year and when a combination of partial years equal one hundred seventy (170) days, those one hundred seventy (170) days will be converted to one (1) year.
- E. All new support personnel employees shall be on probation for the first seventy-five (75) days worked. Probationary support personnel employees shall have no rights and/or benefits (except for insurance/cash in lieu) under this Agreement nor accrue seniority until the

completion of the probationary period at which time their seniority shall revert to their first day of work.

- F. Employees seeking classification transfer shall agree to probation for the first forty-five (45) days worked in the new classification. Past accumulated seniority shall remain frozen. The employee shall receive one (1) written evaluation from his/her immediate supervisor during the period beginning on the twelfth (12) day worked following transfer through the eighteenth (18th) day worked following transfer. At the end of the probationary period, if the employee is deemed unqualified to continue in the new classification, he/she shall be immediately reassigned to the previous position the employee vacated. No rights or benefits under this Agreement shall be denied. The employee shall be paid according to the scale wherein he/she is employed.
- G. The Board shall prepare, maintain, and post the seniority list. The initial seniority list shall be prepared and posted in all buildings of the district and shall be given to all support personnel within thirty (30) working days after the effective date of this Agreement, with revisions and updates prepared and posted annually thereafter. The seniority list will reflect the hire date (the starting day of work for which they are paid) and the total length of service in years and days. A copy of the seniority list and subsequent revisions shall be furnished to the Association President. If no objections are received within thirty (30) calendar days thereafter as to the accuracy of the seniority list, the Employer's list shall be regarded as conclusive.
- H. Seniority shall be lost by support personnel on termination, resignation, retirement or transfer to a non-bargaining unit position. Seniority shall be frozen for one (1) year for transfers to a non-bargaining unit position. If the employee re-enters a bargaining unit position of similar classification within one (1) year, seniority will be re-instated.
- I. Should a regular route bus driver be laid off, the driver will be offered substitute opportunities before other substitute drivers. Because this request may be a time sensitive request, the administration need only to try contacting the laid-off driver once.

ARTICLE 8 VACANCIES, TRANSFERS AND ASSIGNMENTS

- A. A "vacancy" is defined as a newly-created position within a classification that is represented by the Association or a present position within a classification that is represented by the Association and which becomes vacant by reason of permanent separation (resignation, retirement, death, discharge or voluntary leave of one (1) or more years) of the bargaining unit member formerly in that position. The employer shall not be required to fill job vacancies where the job is eliminated pursuant to reduction in force or attrition.
- B. Vacancies shall be posted for not less than five (5) workdays in a conspicuous place in each school building before permanent filling of the vacancy. Bus route vacancies will be posted at the bus garage only. Interested bargaining unit members may apply in writing to the Superintendent or designee, within the five (5) workday posting period. The Employer shall notify bargaining unit employees of vacancies occurring during the summer months (June, July and August) by posting the vacancy on the website and/or emailing Association employees.

1. The posting shall consist of:
 - Type of work/classification
 - Location of work
 - Starting date
 - Hours to be worked
 - Requirements and job qualifications
 - Rate of pay

The information listed on the job postings regarding location may vary.

- C. Positions under this Agreement shall be posted internally first. All applicants from the bargaining unit shall be considered for vacancies. If a bargaining unit employee is not offered a position applied for, he/she will be given an explanation. Transfer will be granted to the employee within the same classification with the most seniority, provided that he/she is equally or better qualified than less senior applicant(s). Note: See D.4 regarding exception to seniority rule.

D. Bus Route Assignments:

1. Bus route vacancies will be posted as per Section B.
2. Bus route vacancies will be posted internally first as per Section C.
3. Assignment of noon runs will be done on an annual basis in the fall by seniority such that the noon driver with the most seniority as a noon driver will have the first choice.
4. Assignment of Special Routes will be decided such that the driver with the most seniority in that route will have first choice. However, the AM Technology Center run and the PM Technology Center run will be two separate assignments, requiring two different drivers. If the route is eliminated, then later reinstated, the person with the most seniority in that route will have first choice.

E. Temporary Assignments:

1. Any bargaining unit employee assigned by a supervisor to temporarily assume the position of another bargaining unit member for more than four (4) hours in one day (excluding overtime assignments) will be paid the wage rate for that position, or the employee's regular wage rate, whichever is greater. The wage rate of a temporary position will be Step 1 of that position and will be used when comparing to the employee's wage rate in his/her regularly assigned classification.

Example: If an aide, who is at step 3 of the aides' pay rate, substitutes for a secretary, the comparison will be made between the aides' wage rate at step 3 and step 1 of the secretaries' wage rate.

F. Temporary Positions:

1. Temporary positions will be reviewed after a period of three (3) months in order to see if the position is necessary and if that position should become a bargaining unit position.

ARTICLE 9 REDUCTION IN PERSONNEL, LAYOFF AND RECALL

- A. "Layoff" shall be defined as a determination by the Employer to effectuate a reduction in the total number of employees, which reduction is implemented through discontinuing whole bargaining unit position(s) to the extent practicable. The intent of this provision is to avoid general reductions in hours among all positions within a classification. However, the parties will confer (at the time layoff notices are issued) regarding the alternative of reducing hours as opposed to the elimination of full-time position(s). The Employer reserves the right to select the job classification(s), department or school in which reduction shall take place.
- B. Employees to be laid off will receive at least fifteen (15) calendar day's written notice of layoff.
- C. Layoffs will occur according to the following procedure:
 - 1. Probationary employees within the affected classification(s) shall be laid off first, provided the remaining employees are qualified to perform the remaining work.
 - 2. Non-probationary employees within the affected classification(s) shall then be laid off in inverse order of seniority as defined in Article 7 of this Agreement, provided that the remaining employees are qualified to perform the remaining work.
 - 3. Laid off non-probationary employees who meet the qualifications contained in the position description shall have the right to a forty-five (45) workday probationary period in a vacant position outside the classification from which the employee was laid off.
 - 4. Bumping during layoff: An employee being laid off in his/her current classification has the right to "bump" back into a classification in which he/she has more seniority than the least senior employee in that classification.
- D. A laid-off bargaining unit member shall, upon written declaration of his/her reasonable availability, (15 calendar days), be granted priority status on the substitute list within his/her classification(s). Such substitute service shall be compensated at the substitute rate.
- E. The Employer shall recall employees from layoff according to seniority within the classification of the vacant position(s). It shall be the responsibility of the laid-off employee to maintain all necessary licenses and qualifications required to perform the job to which he/she is recalled. All test fees incurred in meeting this requirement shall be paid by the Board, except that costs incurred in re-taking tests due to failure to pass shall be the responsibility of the laid-off employee.
- F. Notices of recall shall be sent by certified mail, return receipt requested, to the employee's last known address as shown on the Employer's records. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the employee's responsibility to keep the Employer notified as to his/her current mailing address. A recalled employee shall be given seven (7) workdays from receipt of notice to report to work. Provided, that if the employee receives more than seven (7) workdays advance notice of recall, the employee shall immediately give a written acceptance or rejection of the position to the Superintendent. The Employer may fill

the position on a temporary basis until the recalled employee can report for work, providing the employee reports within the seven (7) day period. Any employee who declines recall to perform work, for which he/she is classified, shall forfeit his/her seniority rights under this Agreement and shall be considered a resignation.

- G. Support personnel upon recall shall be reinstated with all rights and benefits accrued prior to layoff.
- H. A bargaining unit member on layoff shall retain their seniority for purposes of recall for one (1) year or the length of the support personnel employee's seniority not to exceed a maximum of four (4) years.
- I. Seniority shall not continue to accrue while a bargaining unit member is on layoff.

ARTICLE 10 GRIEVANCE PROCEDURE

- A. A grievance shall be defined as a claim by a bargaining unit employee or the Association that there has been a violation, misinterpretation or misapplication of any provision of this written Agreement and any such claims may be processed through this grievance procedure.

Step 1: The grievant shall first discuss the alleged grievance with his/her immediate supervisor, either personally or accompanied by the Association Representative. Discussion shall take place within five (5) working days following the alleged violation.

Step 2: If Step 1 fails to resolve the alleged grievance, the grievant may reduce the alleged grievance to writing and file it with the immediate supervisor. The written grievance must be filed with the immediate supervisor no later than five (5) working days following the date of the verbal discussion with the supervisor as specified in Step 1.

The immediate supervisor shall, within five (5) working days of receipt of the written grievance, meet with the grievant and Association in an attempt to resolve the issue.

The supervisor shall respond in writing within five (5) working days of the date of the meeting.

Step 3: If the Association is not satisfied with the immediate supervisor's response or the supervisor fails to respond, the Association may, within five (5) working days of the date the immediate supervisor's response is due, transmit the written grievance to the Superintendent or his/her designee.

Within five (5) working days of receipt of the grievance, the Superintendent, or designee(s), shall meet with the Association in an attempt to resolve the issue. The Superintendent, or designee(s), shall respond, on the grievance form, within five (5) working days of the date of the meeting.

Step 4: If the Association is not satisfied with the response to the grievance at Step 3, or if no response is received, the Association may transmit the grievance to the designated representative of the Board. Such appeal shall take place within five (5) working days of the date the Superintendent's response at Step 3 was due.

Step 5: Arbitration - If the Association is not satisfied with the disposition of the grievance at Step 4 or if no disposition has been made within the period above provided, the Association may submit the grievance to arbitration before an impartial arbitrator. If the Association desires to submit a matter to arbitration, a petition shall be filed (with a copy to the Employer) within ten (10) days after the Employer's Step 4 response. If the parties cannot agree as to the arbitrator, the arbitrator shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceeding. Neither the Employer nor the Association shall be permitted to assert in such arbitration proceedings any ground or to rely on any evidence not previously disclosed to the other party.

E. Powers of the Arbitrator:

6. There shall be no appeal from the Arbitrator's decision if within the scope of his/her authority as set forth above. It shall be final and binding on the Association, its employees, the employee(s) involved and the Employer.
7. The fees and expenses of the Arbitrator shall be shared equally by the Association and the Employer.
8. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any compensation that he/she may have received from any other employment or unemployment compensation during the period of the back pay.
9. No decision in any one case shall require a retroactive wage adjustment to any other case.

Seniority shall remain unbroken and shall continue to accrue during paid leaves of absence for illness as specified in Section A, and parental leave as specified in Section B, and other paid leaves. Seniority will remain unbroken but shall not continue to accrue during unpaid leaves of absence for any reason (reference Article 7, Section D). However, no experience credit for the purpose of entitlement to any other benefits under this Agreement shall accrue during unpaid leaves, except as may be required under the Family and Medical Leave Act.
3. An extension may be granted on the above-stated leaves. At least fourteen (14) days prior to the ending date of the leave (except in case of emergency), a bargaining unit employee must notify the Employer in writing of the request for an extension, giving the ending date of the extension. The Employer will notify the bargaining unit member within five (5) days upon receipt of the request for extension as to whether or not the extension has been granted.
4. When an employee is returning from a leave connected with personal illness or disability of more than three (3) consecutive days, the Employer may require medical evidence of the employee's ability to resume normal job duties. The Employer shall also have the right to have the employee examined by an Employer-designated physician, psychiatrist and/or psychologist at the Employer's expense.
5. Continuation of fringe benefits during an unpaid leave shall be as specified in Article 9, Section E of this Agreement.

F. Family and Medical Leave Act:

Pursuant to the Family Medical Leave Act ("FMLA"), and employee who has been employed at least twelve 12 months and worked at least 1,250 hours during the prior twelve 12-month period is entitled to twelve 12 workweeks of leave during any twelve 12-month period without pay but with group medical insurance coverage maintained for one (1) or more of the following reasons:

1. the birth of the employee's child to care for the child;
2. the placement of a child with the employee for adoption or foster care;
3. the need to care for the employee's spouse, child, or parent who has a serious health condition; or
4. a serious health condition that renders the employee incapable of performing the functions of his or her job.
5. Other reasons identified by FMLA.

A "serious health condition" is defined by the law as an illness, injury, impairment, or physical or mental condition that involves: (1) in-patient care in a hospital, hospice, or residential medical care facility or (2) continuing treatment by a health care provider. Other conditions of the Family and Medical Leave Act shall apply to leaves in this section. This section shall not diminish benefits to which the employee is otherwise entitled under this Agreement.

ARTICLE 13 CONTINUITY OF OPERATIONS

"Strike" shall be defined to include slowdowns, work stoppages of any kind, the concerted failure to report for duty, the willful absence from one's position or abstinence in whole or in part from the full, faithful and proper performance of one's assigned duties for the purpose of influencing or coercing of a change in the conditions, compensation, or the rights, privileges or obligations of employment and any other connected or concerted activities having the effect of interrupting work or interference of any kind whatsoever with the operation of any of the facilities of the District.
- B. Lockouts:

The Board agrees that it will not lock out any support personnel during the terms of this Agreement.
- C. Emergency Manager: An emergency manager appointed under the Local Financial Stability and Choice Act, MCL 141.541 et seq. may reject, modify, or terminate this Agreement as provided in that Act.

ARTICLE 14 GENERAL

- A. This Agreement supersedes and cancels all previous agreements, verbal or written, or based on alleged past practices occurring before July 1, 2016, between the Board and the Association, and constitutes the entire agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding unless executed in writing by the parties hereto.
- B. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals as any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the parties for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or as any subject or matter not specifically referred to or covered by this Agreement even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- C. If any provisions of this Agreement or any supplement are found invalid by operation of law or by any tribunal of competent jurisdiction or if compliance with or enforcement of any article or section should be restrained by such tribunal, the remainder of this Agreement and supplements shall not be affected. In such event, the parties shall meet to negotiate for the purpose of bargaining a satisfactory replacement for such Article or section, as permitted by law.

D. Safety and Health:

1. As a condition of continued employment, all support personnel employees may be required to satisfactorily pass an annual physical examination given by a physician designated by the Board. The examination shall be at Board expense.

3. Support personnel employees must immediately report to the supervisor all accidents or injuries sustained by students or themselves or in which school property entrusted to them is involved. Support personnel employees may be required to fill out report forms made available by the Board.
4. Every support personnel employee shall observe all safety rules and shall use safety devices or equipment as is required.

E. Attendance:

Regular attendance is an expected norm for all employees. Excessive absenteeism interferes with the functioning of the organization and as such may become just cause for discipline up to and including termination. Excessive absenteeism is defined as absences that exceed 110% of the annual sick leave awarded per year for two (2) consecutive years in an individual's assigned classification. Absences for any purpose, other than funeral leave, jury duty, subpoenaed court appearances that are directly related to the employee's work at the District, personal leave, accrued vacation, FMLA leaves or an FMLA qualifying event and worker's compensation absences may be considered in applying toward this section.

F. Employee Addresses:

Employees shall be required to keep the Board informed at all times as to their current address and telephone number. Any communication addressed to an employee at his/her last known address on record with the Board shall constitute sufficient notice to the employee of the contents of such communications.

- G. If it is necessary for a driver to take a test in order to remain qualified for his/her present position, the Board will pay the cost of such fee. Duplicate costs in the event of failure will be the responsibility of the employee.

ARTICLE 15 MUTUAL CONCERNS COMMITTEE

- A. The Board recognizes the valuable assistance to be gained in its responsibility of determining school policies from effective communications with the Association. Accordingly, representatives of the Board, and Association [not more than three (3) for each group], will meet monthly when necessary at mutually agreeable times to discuss matters of mutual

concern. In addition, each party may utilize such resource persons as it deems appropriate for any particular meeting. These meetings shall be held after school hours. At the first meeting of the school year, the representatives will establish rules of procedure for such meetings aimed at making them an efficient means of communication between the parties in such matters.

The Committee shall establish a standing rule requiring each party to submit to the other, a week prior to the meeting, an agenda covering what they wish to discuss, except when otherwise agreed.

- B. This Committee shall serve in an advisory, consultative, and fact-finding capacity only and further that nothing shall preclude an individual employee from making such recommendations and/or inquiries. These committee meetings are not intended to bypass the grievance procedure.

ARTICLE 16 DURATION OF AGREEMENT

This Agreement shall be effective upon ratification by the parties and shall expire on June 30, 2027, unless extended by mutual written agreement. If pursuant to negotiations, an agreement on the renewal or modification is not reached prior to the expiration day, this Agreement shall expire at such expiration date unless it is extended for a specific period or periods by mutual written agreement of the parties.

In witness thereof, the parties hereto have caused this Agreement to be signed by the respective representatives.

- a. Custodial/Maintenance, Bus Mechanic/Maintenance and Custodial/Food Service Aide employees will normally be scheduled eight (8) hours per day. Second shift custodial/maintenance employees shall omit their thirty (30) minute unpaid lunch break from their schedule, using their breaks for this purpose. Second shift employees will remain in their assigned building unless otherwise permitted by their supervisor.
 - b. Custodial/Maintenance and Bus Mechanic/Maintenance employees will normally be scheduled on a full year (52 week) basis.
2. Aides:
- a. Media and classroom aides will normally be scheduled for seven (7) hours per day during the school year (defined as days that students are in scheduled attendance) plus two (2) or three (3) professional development days. The administration will determine the number of professional development days scheduled, based on the school calendar. Additional professional development days may be scheduled at the discretion of the administration. On half days of instruction, media and classroom aides will only work while students are in attendance, unless requested by the administration to work additional hours. On early release days, paraprofessionals will have the option to work their normal schedule day or leave when the students are dismissed.
 - b. Noon-hour/recess aides will normally be scheduled between one (1) and two (2) hours per day. These employees are not entitled to paid breaks or any scheduled lunch period. Their work-year will normally correspond to days of student attendance.
3. Bus Drivers:
- a. Bus drivers will make two (2) runs per day, morning and afternoon. Additional runs may also be established by the Employer. Bus drivers shall not be eligible for paid breaks or any scheduled lunch period. Their work year will normally correspond to days of student attendance.
4. Secretaries:
- a. Secretaries will normally be scheduled for eight (8) hours per day, with exact work schedules (including lunch times) to be arranged with the immediate supervisor.
 - b. Secretarial positions shall be classified as either forty-two (42), or fifty-two (52) week positions. Forty-two (42) week secretaries shall work two (2) or three weeks (3) prior to the start of student instructional year and either two (2) or three (3) weeks after the end of the student instructional year. The building principal can schedule the pre and post student instructional year work weeks to meet the needs of the building; however, the secretaries total work weeks will equal forty-two (42) weeks.

5. Grounds Keeper

- a. The hours of the Grounds Keeper will be forty (40) hours per week. The start/end time for the work day will be determined by the administration. This is a seasonal position with the member employed thirty (30) to thirty-four (34) weeks per year, usually mid-March through the first week of November.
- b. The Grounds Keeper is entitled to six (6) days per year and two (2) personal days. This employee is not entitled to paid vacation.

B. Work Day:

Unless otherwise specified in this Agreement, the normal workday shall include a duty-free, thirty (30) minute, unpaid lunch period. It is recognized that an employee may occasionally be interrupted during this lunch period to respond to job duties. In such event, the employee shall be permitted to extend his/her lunch period by an amount of time equal to the time spent in handling the interruption.

Employees working four (4) hours or more shall receive one (1) paid, duty-free break of fifteen (15) minutes. Employees working seven (7) hours or more shall receive a second fifteen (15) minute break. Breaks shall be scheduled between the employee and his/her immediate supervisor. Breaks shall be taken within the employee's assigned building. If an employee's break is interrupted due to job responsibilities, the lost time will be rescheduled between the employee and his/her immediate supervisor.

Lunch and break schedules may be adjusted by the immediate supervisor.

C. School Closings:

When an unscheduled school closing occurs (due to inclement weather, fires, epidemics, mechanical breakdowns or health conditions) the following procedures will apply:

1. Bargaining unit members on a school-year schedule shall be paid for up to four (4) such days and shall not be required to report for work provided that the school district is permitted to count that day as a day of student instruction (with no make-up requirement) for purposes of receiving state financial aid.
2. In the event that the day does not count as a day of student instruction, school-year employees shall not be required to report for work when school is closed due to the above conditions and shall not be paid, provided that the lost day(s) of instruction are rescheduled during or after the school year. Employees shall receive their regular rate of pay on such rescheduled days, except where work schedules have been curtailed because the rescheduled day is a half-day.
3. Custodial/Maintenance and all secretaries shall be required to report during school closing (as defined above), at the discretion of the superintendent unless there is a declared state of emergency by an appropriate governmental agency. In the latter event, the employee shall be paid at his/her regular rate if unable to report due to the declared emergency conditions.

Employees reporting to work late on such days (due to inclement weather or other emergency conditions) shall be entitled to make up lost-time. If custodians or secretaries are not required to report by administration, they shall be paid for up to three (3) such days.

D. Call-in Work:

Custodial/Maintenance employees who are required to report to work outside their normal schedule shall be paid for a minimum of two (2) hours. This shall not apply in a situation where the employee is assigned by a supervisor to perform occasional extra work immediately before or after his/her regular shift. The employee shall complete the work necessitating the "call-in" but shall not be required to remain beyond that time.

E. Time Sheets:

All hourly employees shall submit time sheets indicating the actual time worked, on a bi-weekly basis. Drivers shall submit time sheets for all hourly-rated work and runs driven. Time sheets shall be correctly and completely filled out, signed and shall include the hourly rate. When more than one (1) hourly rate or supervisor is involved, a separate time sheet must be made out for each different hourly rate and for each supervisor. Since the District now uses paperless time sheets, all hourly employees shall use the system selected by the District.

F. Summer Work:

The Employer has the right to use non-bargaining unit personnel/outside contractors to perform summer work. The District will give preference to bargaining unit members for summer work in their respective job classifications before hiring new employees for that purpose other than as specified above.

G. Meetings:

All bus drivers shall, from time to time, be required to attend meetings with the administration outside their regular work hours. Mandated attendance at in-house training programs and/or meetings outside regular working hours that exceed one (1) hour per month shall be compensated at the extra trip pay rate.

- b. Forty (40) hour per week employees will be limited to two (2) extra trips per month and will not be eligible for weekend trips. If no other drivers are available, the District has the right to authorize overtime for the run.
- c. If a school vehicle leaves the District without students for service or repairs, the Employer will assign the vehicle to a regular bus driver, provided that this assignment does not conflict with a regular route assignment. This provision will not apply during vacation periods or in instances where the buses are leased and the leasing company provides transport.
- d. Extra trip time shall begin with the pre-trip inspection and continue until the driver returns to District facilities. Pre-trip inspections and end of trip cleanings of fifteen (15) minutes maximum may be included as time worked only if actually performed.
- e. When a bus driver is offered an extra duty run that conflicts with his/her regularly assigned route(s), the driver shall choose between the regular run and the extra run, and shall be paid for the run driven. The first hour of trip pay, when a bus driver chooses an extra duty run over his/her regular run, will be at the regular run rate.
- f. If a driver reports to work and his/her extra trip has been canceled without advance notification, the driver shall be compensated at the regular run rate. There is no requirement to compensate the driver for the canceled trip if the driver is notified at least one (1) hour before the scheduled reporting time for the extra trip. Payment for cancellation shall be for one (1) regular run.

7. It is the driver's responsibility to check the board on a daily basis.
8. Drivers with most seniority will be assigned trips in rotational order.
9. Certain routes (e. g., Lawrence, Individual Student, Volinia, Bangor, Technology Center and noon), when the regular bus driver is unavailable, will be posted the same as extra trips.
10. If a driver accepts a trip and then at a later time decides to turn it in, the driver will be charged a "turn in".
11. Five "turn-ins" and the driver will be removed from the roster for the remainder of the year.
12. Due to a time factor, some trips may need to be assigned verbally on a rotational basis according to seniority.
13. All drivers interested in driving sports trips are invited to a meeting when each season's sports schedule is made available.
14. Drivers should go over schedules and choose trips on a rotational basis according to seniority.
15. As trips are assigned, if a driver does not accept a trip, the next most senior driver is asked and so on down the line. This is done verbally.
16. Any additional trips that may come in at a later date will be scheduled under the extra trip procedure.
17. If all drivers turn down an extra trip it will be assigned to the driver with the least seniority or offered to a substitute driver.
18. Once assigned, extra trips may not be exchanged or swapped.
19. If all drivers on an extra trip or substitution roster decline an assignment, the Employer will attempt to secure the services of a regular substitute driver for that trip, provided that the regular substitute driver has a minimum experience of fifty (50) runs. If a substitute cannot be obtained, the Employer reserves the right to assign a driver from the roster to that job, starting with the driver having the least amount of seniority.
20. Trips during the summer and during times when school is not in session will be assigned from the list of regular route drivers. Drivers will be contacted and the assignments will be made according to their seniority.

i. Overnight Extra Trips

1. Drivers for all overnight extra trips will be taken from the extra trip roster. No driver will be required to take an overnight trip.
